

CAP-IT™

Paperboard Clip Carton Style For PET Bottles With Neck Ring

**Unique Carton Design
Emphasizes Primary Container
4 to 8 Bottles Per Pack**

The machine and carton have been designed to create an economical paperboard multi-pack for the full range of single serve PET bottles. A unique carton design provides an on-the-shelf differentiation from other multi-packs by combining both a beautifully printable paperboard billboard with a portion of the bottles still being visible.

Machine Features

Standard

- Automatic oil system
- Product metering via starwheels and gripper selector
- 4.5 ft (1.5m) 2800 carton powered magazine
- 3 Arm rotary carton feeder
