WE'VE GOT THE LATEST SCOOP!

The Scoop Cup from Graphic Packaging International offers customers an alternative, functional way to serve up new menu items. This product is designed with a front cut-out and tall back, allowing food products to be stacked vertically while providing high product visibility. The Scoop Cup is a practical packaging solution that stands upright on a food tray and fits easily in a car cup holder for hungry on-the-go consumers.

FEATURES

- Circular, flat bottom for upright stability
- Grease resistant barrier
- Newspaper™ stock design includes three rotating prints intermixed throughout each case
- Custom printing available
- Made in the U.S.A.
- Fiber used meets the Sustainable Forestry Initiative® (SFI®) standards
