Our fast food and deli takeout containers provide the convenience, protection and presentation your customers expect. Autobottom tuck top cartons feature a tuck lid with a “lock”. Fast top styles snap open quickly for filling and close by locking the top into the box ends. The snack and dinner sized tuck top and fast top cartons are perfect for 2 piece to 4 piece individual meals or multi-piece chicken tenders. Handled boxes are ideal for larger portion takeout orders that require carton strength.
